

## WARRANTY INFO

Congratulations on your new purchase of LG HI-MACS® solid surface product. LG Solid Source expressly warrants that it will repair or replace this product, free of charge, if it fails due to any manufacturing defect during the first 15 years after initial installation. The warranty covers all LG HI-MACS® products, including sheet goods, sinks and lavatory bowls.

The warranty shall not apply to damage caused by:

- Failure to follow procedures recommended in the Fabrication Guide Book for transportation, storage, handling, fabrication, or maintenance;
- Physical abuse, accidents or misuse;
- Exposure to excessive heat;
- Faulty or improper installation, including seams.

This warranty is extended to the original purchaser and may be transferred or assigned. A purchase receipt or other proof of date of original purchase will be required before warranty service is rendered. If transferred, a new warranty registration must be submitted with proof of the original warranty. The new warranty will be valid for the remaining time since the original purchase.

LG Solid Source's obligation is limited solely to the repair or replacement of the products purchased hereunder, including reasonable and necessary labor charges. No other expressed or implied warranties of merchantability or fitness for a particular purpose are made by this warranty except for those expressly provided herein. Under no circumstances shall LG Surfaces be liable for any loss or damage arising from the purchase, use or inability to use this product, or for any special, indirect, incidental or consequential damages.

This warranty entitles the purchaser to specific legal rights. Other rights may also be available, which may vary from state to state. Some states do not permit the exclusion or limitation of implied warranties or of incidental or consequential damages, so the above limitation or exclusion may not apply to you. To know what your legal rights are, consult your local or state consumer affairs office or your state's Attorney General.
